GREEK SLAVE

WHAT IS SAID OF IT.

With the Greek Slave at the head, and all the other face things to follow, what a flood of Art this Institution will spread over the land. Louisville Courier.

We venture to say that no similar or equally useful project for the first reduced in this country. J.G. Saxo.

I am much pleased with the pian and wish the new effort in behalf of Art, abundant success. Seward.

I loos upon the Association as a public benefaction, in distributing through the country works of the Literary and Artistic kind, and thus belong as a first learner of the first country works of the Literary and Artistic kind, and thus belong as a first learner of the country works of the Literary and Artistic kind, and thus belong as a first learner of the country works of the Literary and Artistic kind, and thus belong as a first learner of the first learner of the country works of the Literary and Artistic kind, and thus belong as a first learner of the first learner of th and Artistic kind, and thus helping on a higher culture amongst the people. \*\* Airs, L. Oakes Smith, I trust the Association will be eminently successful Its very oberal inducements commend it serongly to the Its very liberal inducements commend it strongly to the patronage of the public. Bayard Taylor. I hope that the laudable object of the Association may meet with much success. Harrief Bescher Stowe. A very bold, spirited and liberal Institution established, for the pury case of popularizing Art and Literature to a greater extent than has yet been attempted. This

no chance affair—you got the full worth of your money aid have the satisfaction of uiding the Fine Arts. The principle on which patronage is solicited and subscriptions hased is entirely new, and far more attractive and satisfactory than any other that has been devised, in this country, at least. N Y Mirror The want of an Association of this description has long been felt by the people of this Republic.

N Y Dutchman

elphia Courier. There is no danger of lesing by this Institution—it is

Its plan is one of the most agistantial and satisfactory that could be devised, and cannot fail to exert a beneficial and elevating influence on society—and there are very few who become acquainted with its peculiar advantages, but will avail themselves of its provisions. This Association, though partaking somewhat of the character of the old American Art Union, presents many advantages which the fatter did not enjoy.

Home Journal American Courier.

It has a basis as firm and pure as its objects are beneficial and noble. There is no reason why it should not become national, in is claims upon both artist and people.

Evening Mirror
It presents a list of inducements to all the lovers of Art and Literature, never surpassed by the old Art United by its colliness days.

Art and Literature, never surpassed by the old Art Uncan in its pollmiest days

Lancaster Ragle
Throughout the country there are hambreds of thousands of persons who purchase or subscribe for the tending home and foreign magazines, at headstores, all of whom, by joining this new Association, will not only receive their literature for the same money as before, but will be in addation, equal and free participants in a rare Art-work distribution, receiving the art chances for noising. What these chances are worth may be judged when we say thation item in the Art Gallery to be die tributed is Powers' tamons Greek Slave, costing the Association over Five Thousand Bollars. The collection of Peinting's embraces specimens by the most distin Association over Five Thousand Dollars The collection of Peintings emisraces specimens by the most distinguished American Artists. N Y Mirror

POSITIVELY THE LAST CHANCE Is now presented for subscribing in order to participate in the above Distribution, Apply as above for Catalogues giving full particulars and numerous engravings. Memberships and catalogues may be obtained of M. P. WRIGHT. Secretary for Plymouth. feb2-2w
